1 Read the text. Check (✓) the events that are in a decathlon.

- | | |
|---|--|
| 1 <input checked="" type="checkbox"/> the 100-meter run | 4 <input type="checkbox"/> the 500-meter run |
| 2 <input type="checkbox"/> the high jump | 5 <input type="checkbox"/> the low jump |
| 3 <input type="checkbox"/> the 1500-meter hurdles | 6 <input type="checkbox"/> the long jump |

The decathlon is a sports competition with ten different events. Athletes compete in all ten events for two days. After the ten events, the person with the best score wins.

There are four races, or track events, in the decathlon: the 100-meter run, the 400-meter run, the 1500-meter run, and the 110-meter hurdles. In the 110-meter hurdles, athletes run and jump. Athletes also compete in six field events. In the long jump, people run and jump. In the high jump, they run and jump over a high bar. In the pole vault, athletes run and jump over a high bar with a long

pole. In the shot put, the javelin throw, and the discus throw, athletes throw different things. The shot is a large heavy ball. The javelin is a long thin pole. The discus is like a large round disk or plate.

The women's decathlon started in 2001. Before 2001, only men competed in the decathlon. Women now compete in the same ten events, but there are some differences. For example, the hurdles are lower and women jump over hurdles on a 100-meter course, not on a 110-meter course, like the men's decathlon. The shot, the javelin, and the discus in the women's decathlon are not as heavy as in the men's events.

2 Read the text again. Rewrite the sentences. Correct the underlined words.

- 1 The decathlon has twelve events.
- 2 Athletes throw things in five events.
- 3 The shot is a large heavy disk.
- 4 Women jump over hurdles on a 110-meter course.
- 5 The men's decathlon started in 2001.

The decathlon has ten events.

Hi, Rachel!

I'm having a great time in Ecuador with my family. We're in Quito right now. It's the capital of Ecuador. The city is big, and there's a lot to do. It's warm in the day and cool at night now. It sometimes rains a lot in Quito, but it's not the rainy season now. We're walking around the city a lot.

The weather is really different in other parts of Ecuador. In the town of Otavalo, the weather is cool all day and pretty cold at night. There's a famous market in Otavalo with many handmade clothes. We went to Otavalo on Monday. We got beautiful sweaters at the market to wear at night!

There are a lot of beaches in Ecuador. The beaches are usually sunny and very hot. We went to a beach in Muisne on Wednesday and had a great time! It was sunny and hot!

Cotopaxi National Park is close to Quito. The park is very big, and it has a large volcano in it. The volcano is also called Cotopaxi. It snows quite a bit on Cotopaxi, and it's extremely cold and snowy at the top. You can walk to the top. The kids can't do it, but Helena and I would like to walk up there this weekend.

Other Homes

Do you have another place you call "home"? Four people describe their "other homes."

JAKE LONDON'S TOUR BUS

I'm a musician. I play the guitar and sing. I travel quite a bit with my band, so my other home is a big bus. There's a kitchen and a bathroom on the bus. There's a small living room with a TV. There are six beds on the bus, one for each person in the band!

MARIA MILLER'S HOTEL ROOM

I'm a flight attendant. Because of my job, I stay in hotels a lot. The hotel rooms usually have a big bed, a small kitchen, and a desk. So, hotel rooms are my "other homes." I always bring a few personal items when I travel for work. I take a nice dress, a few T-shirts, and my favorite jeans. I take a small pillow, and I always take a good book. I'm usually in one place only for a day, so I can put my things away in five minutes!

TOM AND RIANA PETERSON'S VIRTUAL HOUSE

Our "other home" isn't real! We love computer games. We play a game on our computer in a virtual world. We have avatars in this virtual world, and they have a home! Our real home is a small apartment, but the virtual house is big. In the virtual home, our avatars do the household chores. They clean up the rooms, put away the dishes, and take the garbage out. The virtual house is very clean, but our real house is a mess!

Ada Blackjack: A True Story of Survival in the Arctic by Jennifer Nevin

Ada Blackjack was born in 1898 in Alaska. In 1921, she went with one Canadian and three American explorers to Wrangel Island in the Arctic. The four men wanted to explore the island. Ada was their cook. After two years, they didn't have enough food and had to leave the island. One man was too sick to travel. Three of the men left to find help. Ada stayed with the sick man. After three months, the man died. Then Ada was alone on the island. She was there for five months, but Ada was determined and brave. Finally, a search team found her, and Ada went back to Alaska. This week with Joan!

Hello, readers! This week I’m writing about life. I found three interesting quotes about life. One quote is “_____” I agree!

I think it means you should experiment — change your habits and try new things — to make life interesting. So last week, I tried these experiments: I ate seaweed tacos, I ran a marathon, and I went salsa dancing! Next week, I might go skiing or buy a new computer.

Another person said, “_____” I really like this one. I don’t have a million dollars, but I still feel rich. I have a great family and good friends. I enjoy a rich, happy life with them.

My favorite quote is “_____” This means the small things in life are important. Sure, milestones are important, like graduating from college, starting a career, or getting married. But little things, moments, make life great. For example, I went shopping with my daughter. It wasn’t a milestone, but we had fun, and I’ll remember this day forever.

So, my advice? Work on your dreams and aspirations, but have fun, too. Life is short.

2 Read the article again. Write P (past) or F (future) for Joan’s experiences and plans.

- 1 eat seaweed tacos P
- 2 run a marathon _____
- 3 go skiing _____
- 4 buy a new computer _____
